PRELIMINARY ROUND

- * This round was conducted in Room No. 406, Seminar Hall, MSIT.
- * For the preliminary round a quiz was conducted on Kahoot Website with 20 questions based on Evergreen Web series like The Office, Friends, etc.
- * Every participant was given 20 seconds to answer each question.

Among all the participants, top 14 participants were selected for the main event.

MAIN EVENT

This round was conducted in Room No.406, Seminar Hall, MSIT.

There were 26 boxes with different amounts of money ranging from Rs.1 to Rs.50,00,000 present in front of the contestants. Contestants were initially asked to select any 1 box of their choice which was considered as their personal box. That box was placed near them but was not opened until the end of the game.

Contestants were made to play this game 1vs1.

The contestants then had to open some number of boxes in each round one by one after which they would receive an offer/deal from the banker based on the amounts remaining in the closed boxes. The contestant was given the option to either take the Deal or Reject the Deal.

If the contestant does not take the offer, then the contestant was again asked to open some numbers boxes and another offer was received from the banker. Again the contestant can either accept or reject the deal and the game proceeds in the same manner until the end.

DEAL OR

NO DEAL

At the end, the contestant had the option to either take the final offer from the banker or open his personal box which was kept aside in the beginning.

The top 3 contestants who were able to grab the highest amount of deal were declared the winners.
